At this time the Adel Housing Authority is striving to meet the Mission and Goals stated in the 5-Year Plan. Over the next year, the Authority is planning to revisit each goal and determine the progress and viability of each.

Required Attachment E : Resident Assessment and Satisfaction Survey Follow-Up Plan

Overview

The results of the Resident Service and Satisfaction Survey indicates that the Adel Housing Authority received a score of 62.5% under the Communications section, a 74.4% under the Safety section, a 74.3% under the Services section, a 87.0% in the Maintenance section and a 67.3% under the Neighborhood Appearance section. As a result, the Authority is required to include this Resident Assessment Follow-Up Plan for any sections that received a score below 75%.

Our Authority is interested in addressing any real or perceived concerns that the residents may have regarding communication, safety, services and neighborhood appearance. We will strive to make any necessary and appropriate improvements to our management operations and address all safety issues. Unfortunately, we are unable to address the specific concerns expressed by the residents because we have been unable to obtain the detailed information from HUD.

Resident Survey

In the absence of any specific information from HUD relating to the concerns expressed by the residents in the Survey, we determined that our best course of action was to discuss our goals pertaining to the scores we have received.

Communication and Services

GOAL: To provide quality customer service and improve the quality of communication to all residents.

ACTION: The Authority will strive to make communication a more effective tool for the Authority. The Authority will analyze developing a Newsletter that will increase communication and provide information on programs and services available to the residents of the PHA.

Safety

GOAL: To address the concern of residents pertaining to safety and security outlined in the Resident Service and Satisfaction Survey; develop programs that focus on improving security.

ACTION: Before a formal plan is developed, the Authority will try to determine the specific safety concerns of the residents by discussing issues with the residents. After these concerns are determined, then a plan of action will be developed.

Neighborhood Appearance

GOAL: To improve the overall neighborhood appearance.

ACTION: The Authority shall achieve proper curb appeal for its public housing developments by improving landscaping, keeping its grass cut, making properties litter free and other actions. This will be an on-going process.
